Council for Educational Travel USA

Trainee/Internship Program Offer

(20031) Mechanical Engineering Program – Huntington Beach, CA

Hours: 32-40 hours per week
Compensation: $17.00 per hour
Program Duration: 18 months
Housing: none provided

Host Company Description:
This host company is a specialty vehicle dealership that focuses on golf carts and street-legal low-speed vehicles, electric bikes, and industrial carts. It offers repairs and maintenance services for these vehicles as well as customization and accessory options. Huntington Beach's nickname is "Surf City USA", and is a popular coastal destination known for its beaches, surf culture, and laid-back vibe. Participants can relax on the beach, visit the pier, explore Bolsa Chica Ecological Reserve, shop downtown, and enjoy beach-themed nightlife!

Position Description:

- Learn to assemble light suspension systems
- CAD design and fixture review
- Train with staff to troubleshoot mechanical components
- Assist staff with other duties concerning mechanical elements

Applicant Qualifications:

- To apply for the **Trainee** program, applicants must have either a degree or professional certificate from a foreign post-secondary academic institution and at least 1 year of prior related work experience in the **mechanical engineering** field acquired outside the United States OR 5+ years of experience in this field.
- Advanced English is required

How to Apply:

1. Submit a professional resume with a professional photograph
2. Indicate availability dates (start and end dates)
3. Indicate this offer number and title
