

CETUSA Internship Program Offer

Start Date(s): February 2017
Hours: 40 hours per week
Training Duration: 12 months
Compensation: \$12.00 per hour
Housing: not provided
Business Operations in a Fishery

**SEATTLE,
WASHINGTON**

Host Company Description:

This host company is located near Seattle. It is a fish sourcing, processing and distribution business which customizes fish processing and packaging to various specifications utilizing efficient automation line. The intern will assist in completing customer orders, help logistics team to handle and tracks inbound and outbound shipment and documentation, analyze database inventory, tally and yield reports and formulate packaging specifications as a part of their greater learning about the fish processing industry.

Applicant Qualifications:

- To apply for the **Internship** program, you must be an undergraduate student of **business management (logistics degrees preferred)** OR a recent graduate starting the program within 12 months of graduation.
- Prior logistics work experience is preferred
- **Fluent English is required** (reading, writing and speaking skills)

How to Apply: Submit a USA style formatted professional resume to usmexico@cetusa.org. Indicate desired start and end dates, include 3-digit program code (starting with "m") and title in the subject field.
